Our Store Will Be Closed Thanksgiving Day

Thanksgiving Occasion

The turkey dinner is an important part of the preparation for Thanksgiving. Preparing the right clothes for Thanksgiving is another important part of it. You attend to the turkey and let us supply you the clothes.

Hart, Schaffner & Marx Clothes

are good clothes. They'll last a good deal longer than the turkey will. And they won't cost so much in the end.

Suits \$15, \$20, \$25, \$30

The style, fit and workmanship equals the highest tailored suits made. Every garment bearing the makers name means satisfaction or your money back at any time.

G. H. HAZEN
Assistant

May 25, 1909.

DEAR SIR:—

Replying to your letter of the 4th inst. relative to the Rock Asphalt pavement now being laid in this city, will say that we have some of this pavement that has been down OVER TEN YEARS and with the exception of a few places where water has not been properly drained off and allowed to stand, it has stood heavy traffic and is still in a good state of preservation.

We have 15 miles of other asphalt which has had to be repaired a great deal, while this pavement, except for plumb cuts, Gas Co., and Water Co.'s cuts has had NO REPAIRS AT ALL.

Some of the streets of Kansas City, Mo., have been paved with this material and they are in better condition than some sheet asphalt streets that have been paved later, after being down 15 years.

Last season there were laid in this city 22,000 sq. yds. of Rock Asphalt and this year there is being laid and petitioned for about twice as much more, which ought to show that it is giving satisfaction here.

When the wearing surface is first put down it is sometimes disappointing to the inexperienced as it appears much more granular than the ordinary asphalt and has surface cracks after being rolled; but with a little traffic over it the cracks disappear and the whole cements together into one solid sheet, without becoming too hard or slippery. After the cement or lime dust has worn off the surface the particles of lime rock show white, giving a pleasing "mosaic" effect.

The material used in this city comes from Ardmore, Oklahoma.

Yours respectfully,

R. L. McALPINE,

City Engineer, Kansas City, Kansas.

This is the standard Rock Asphalt pavement composed of lime, rock asphalt, consolidated silica, and bituminous silica, produced by THE SHELBY-DOWNARD ASPHALT CO.

Expressions of Appreciation.

We, the members of the Beard Bible class, wish to express our sincere appreciation of the patronage of friends at the dinner and supper which we served.

CARNIVAL COMPANY ARRIVES IN ADA

On account of being delayed by a wreck on the Rock Island, the Great Eastern Carnival company, which will be here all this week, did not arrive until this morning. The work of putting the shows in place is going on west of the postoffice, however, and a number of them will be ready by evening. It is too late to get ready for the high dive this evening, but this will take place every evening during the remainder of the week. The carnival has the appearance of being a good one and fully equal to its advertisements.

COL. GEARHEART TO LECTURE WEDNESDAY EVENING

The third attraction of the normal lyceum course will be presented at the normal auditorium Wednesday evening. This will be a lecture by Col. Gearheart, well remembered by Ada people, and whose lecture is well worth the price of a season ticket. Tickets on sale at Ramsey Drug Store.

DOUBLE SERVICE ON THE KATY

For the past three or four years we have heard numerous rumors concerning the addition of another passenger train to the Katy service, but each time it has proved groundless and we had come to regard these reports as not being worthy of notice, but this time we have it so straight that the train will be put on that we really believe it. In fact, there is no doubt about it, as our information from the inside indicates.

The new train will be put on between Dec. 1 and 25. It will leave Oklahoma City in time to make connection with the limited train on the main line at Atoka and the north bound will make connection at Oklahoma City for Parsons, Kansas. The new train, we are told, will consist of four coaches.

Ardmore Cotton Receipts.

Ardmore, Okla., Nov. 20.—Cotton receipts to date are 15,935 bales, as against 11,116 this date last year. Much of the crop is yet to be gathered.

HASKELL CALLS SPECIAL SESSION

LEGISLATURE WILL MEET AT OKLAHOMA CITY NOV. 28 TO CONSIDER THE CAPITAL QUESTION.

Saturday Gov. Haskell made a flying trip to Guthrie where he remained long enough to issue a call for a special session of the newly elected legislature to pass upon the state capital question. The call names Monday, November 28, as the time of meeting, and Oklahoma City as the place. It had been expected that the session would be held at Guthrie, but the governor claims the right to call it to meet elsewhere, since the law authorizes him to do so when the public peace and safety demand it. The governor contends that since the people by an overwhelming vote designated Oklahoma City as the permanent seat of government, it is the duty of the legislature to put their mandate into effect. A two-thirds majority of both houses is necessary to pass any measure of this character, but the governor has been conferring with the members and it is said has sufficient votes pledged to locate the capital at Oklahoma City.

NEARLY 9,000 BALES FOR ADA

And still the figures indicating the season's receipts of cotton continue to climb. Up to four o'clock Saturday afternoon the county weigher had received 7,962 bales and the round bale gin had turned out 1,741. Counting these last as half bales they would equal 872. This added to the total received at the yard shows a grand total of 8,821 bales for the season. By the time it is all in this will prove to be the best season since 1904 when over 14,000 bales were marketed at Ada.

PRES. BRILES RECEIVES FLATTERING OFFER

A surprise came to President C. W. Briles of the normal a day or two ago in the nature of an offer of the presidency of Western college, a Methodist school at Artesia, N. M., at a salary of \$2,500 per year. Very naturally he appreciates the consideration shown him and the implied recognition of his ability as an educator, but he states that he will not consider the proposition.

Ada for State Capital.

A few days ago by way of jollying the boys, the News put Ada in nomination for the state capital. While at Oklahoma City Jno. Crawford told them that if they did not quit their racket he would settle the whole row by bringing it off to Ada with him. Between the two the Guthrie crowd seems to have taken the notion into their craniums that Ada is to be in the fight. A Guthrie dispatch in today's Oklahoman states that a meeting of the commercial interests of Guthrie was held a night or two ago and among other things decided to try the plan of appealing to other would be capital cities to form an alliance with Guthrie to crush the vaulting ambition of Oklahoma City, and named Ada as among the number. Jno. Crawford says he has received no telegram from them and Senator Roddie being out of town today it is not known whether they tried to communicate with him or not. Guthrie got very cold comfort out of Ada at the election in June—ten votes—and we don't think the sentiment has changed much since.

Candidate for Chief Clerk.

Guthrie, Ok., Nov. 20.—Albert H. Ellis of Orlando, candidate for the nomination of Lieutenant governor on the democratic ticket in the last primary election is a candidate for chief clerk of the house of the Third legislature. Mr. Ellis served two terms in the legislature of Oklahoma Territory, was a member of the constitutional convention and of the first State legislature, in which he was speaker pro tem of the house.

UNITED CHARITIES HOLD MEETING

Saturday afternoon the United Charities organization of Ada held a business meeting at the city hall, President Briles presiding. It was decided to take a collection at the public schools Wednesday at which time cash and contributions of clothing will be accepted. Of course others will also help, for this is one of the most worthy causes we have. During the past year this organization has helped more than fifty deserving families in Ada, giving them fuel, provisions, medicine and clothing as occasion demanded. At Christmas time last winter it remembered some twenty families with gifts of fruit and other things needed to make the day remembered. Altogether something in the neighborhood of \$250 in cash and quite a little amount of clothing has been distributed by the United Charities of Ada. Any one caring to make donations of money or clothing can leave them with W. B. Jones at the city hall.

The following compose the new executive committee:

W. B. Jones, Chairman; Mesdames J. B. Ingram, Leroy Anderson, Chas. M. Chancey, G. H. Keen, U. G. Winn, W. C. Duncan, C. O. Barton, Willis Sledge, Lola Hardin, Walter Clarke, Frank Neal, N. A. Harrison. The ministers and teachers of the city or ex-officio members.

CITIZENS' NOMINEES FOR FREEHOLDERS

In this issue of the News will be found the names of the eight men selected Thursday evening by the mass meeting to compose the citizens' ticket for the board of freeholders that will write the new charter for the city, if the commission plan is adopted. None of these gentlemen is hunting for a job of this kind for it is one of the great responsibility, and much worry, but it is one that somebody must take if we are to have a charter worth the paper it is written on. All of these are hard headed business men. They have had experience that will enable them to give Ada the best charter of any city in the state, if they are entrusted with this task by the people.

Life Depends on Court's Decision.

Guthrie, Okla., Nov. 20.—Among eighty opinions to be handed down by the criminal court of appeals tomorrow, Justice Richardson said this afternoon would be the decision of the high criminal court upon the petition for a rehearing in the case of John Hopkins, formerly of Kingston, Mo., who is under sentence of death at Lawton for murdering his wife there in a most brutal manner.

ADA VS. SULPHUR 0 TO 0 SCORE

HOT GAME PLAYED WITH DEAF SCHOOL SATURDAY.

The foot ball game, at Sulphur Saturday between the East Central Normal and the Oklahoma school for the deaf, was the most spirited game ever played by an East Central team. From beginning to end, the game was full of exciting and spectacular plays. The Normal boys were in a few yards of a touchdown several times, but due to brilliant plays of the deaf boys were unable to cross the line.

At only one time was there any danger of scoring by the deaf boys. This happened in the last quarter when the ball was carried, by a series of spectacular plays, from their eighteen yard line to Ada's ten yard line. The Ada boys, however, showed they were equal to every emergency, and, when the game ended, the ball was on the deaf school's ten yard line.

The two teams, were almost evenly matched, the Ada boys being a little heavier and the deaf boys older and more experienced in the game. The main features of the game were the playing of Turner for the deaf and the brilliant work of Ada's back men, Matthews, Lawman, Buttram and Donaghey, Donaghey being succeeded by MacMillan and MacMillan by Roddie. However Ada's whole team played well, the ends, McCain and McKinney, deserving no less credit than the back men. The line also played well and the deaf boys were never able to break it.

COMMISSION PLAN A SUCCESS AT ENID

Enid, Okla.—For more than ten months the affairs of the city of Enid have been administered by a mayor and three commissioners under the charter providing for commission form of government. During that time the test of efficiency has been severely applied. The city executives entered their offices at a time when the affairs of Enid were in some confusion, but notwithstanding the handicap they have placed the city upon a business basis. Warrants that were formerly discounted heavily are now of face value. Merchants who formerly were unwilling to furnish the city with supplies on account of trouble in getting their money now seek the patronage of the city, knowing that when the article is delivered it will have been paid for in less than a week.

Safe Is Blown at Anadarko.

Anadarko, Okla., Nov. 20.—The big safe of the Fair department store was wrecked by burglars with nitroglycerine some time last night and \$61 in money and some checks were taken. The crime was not discovered by the proprietors until 11 o'clock today. The work evidently was done by professionals. No arrests have yet been made.

SURRENDERED AT FIRST FIRE, EH.

The Boston woman who licked the
editor because he said she married
a struggling young lawyer was justi-
fiable. She says he didn't struggle a
bit.—McAlester News-Capital.

If the proof of the pudding is
found in the eating, the proof of the
superiority of commission govern-
ment is found in the results obtain-
ed. What matters it to a practical
business man if both legislative and
executive branches of the city gov-
ernment are under the same head if
the results obtained are satisfac-
tory? That may be a point for politi-
cians to squabble over, but what the
people want are results.

Enterprising correspondents of
some of the big dailies have been
working up several Mexican inva-
sions a day for the past two weeks,
but somehow the Mexicans never
seem to get anywhere after they
start. They have had time to reach
Oklahoma if one of the invading
forces has started yet.

"Because the movement was start-
ed by pinheads," is the reason given
by certain individuals for their op-
position to the adoption of the com-
mission form of government by Ada.
At least that is what we have been
told. However, they will find the pin-
heads pretty numerous when the
time comes to vote.

We may not all agree on the com-
mission government, but all will con-
cur in the opinion that we must have
better water and more of it. The re-
moval of the restrictions on the
Byrd's Mill supply leaves the way
open for us to realize this dream and
that right speedily.

Haskell seems to be a hard propo-
sition for the Guthrie crowd to
handle. A few days ago they an-
nounced that he would move back to
Guthrie the next day. He went all
right, but his stay extended over
about three hours and then he was
gone again.

Some of us thought that voting on
eight initiated or referred questions
in Oklahoma this year was going
some, but how about Oregon where
they voted on thirty-two questions
at one time?

In politics as well as in their
friendships the majority of men are
busy most of their lives in tearing
down the idols they worshipped yes-
terday and putting new ones in their
places.

A few years ago sensational news
was said to come by "grapevine tele-
graph." Now they are intercepted by
wireless, and given to the world as
authentic.

The Allen Hustler is flying the
names of Harmon and Wilson at its
masthead as the men to carry na-
tional democracy to victory in 1912.

More water for Ada is a neces-
sity, and Byrd's Mill is the place to
get it. Let's all join hands and go
after it.

Enforcing Law at Shawnee.

Shawnee, Okla., Nov. 19.—As a re-
sult of an open letter to the people
of Shawnee from County Attorney
Holt, published in the local papers,
in which he criticised the police for
non-enforcement of the prohibition
law, and at the same time asserted
that it was illegal for a person to
carry on his person or otherwise a
broken package of liquor inside the
state, all persons found with bottles
of whisky are arrested and turned
over the county for prosecution.
Four such have been arraigned, and
pleading guilty were given fines of
\$50 each and jail sentences of 30
days each in the county court. Two
of the men had just come to Shaw-
nee from Cumberland Gap, Tenn., and
were expecting their families to ar-
rive this week. Each had a part of a
half pint of whiskey when arrested.
Another result of the controversy be-
tween the police and the county at-
torney is the threatened enforcement
of the "blue laws" which has al-
ready begun.

IT GROWS HAIR.

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall
"93" Hair Tonic has grown hair on
heads that were once bald. Of course,
in none of these cases were the hair
roots dead, nor had the scalp taken
on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts
scientifically, destroying the germs
which are usually responsible for
baldness. It penetrates to the roots
of the hair, stimulating and nourish-
ing them. It is a most pleasant toilet
necessity, is delicately perfumed, and
will not gum or permanently stain the
hair.

We want you to get a bottle of
Rexall "93" Hair Tonic and use it as
directed. If it does not relieve scalp
irritation, remove dandruff, prevent
the hair from falling out and promote
an increased growth of hair, and in
every way give entire satisfaction,
simply come back and tell us, and
without question or formality we will
hand back to you every penny you
paid us for it. Two sizes, 50c and \$1.

BROTHERHOOD PROGRAM.

To Be Rendered at Christian Church Monday Evening.

The regular monthly meeting of
the Brotherhood of Disciples of
Christ will be held at Christian
church. It will be a Harvest Home
meeting and an interesting program
will be rendered.

These meetings are very beneficial
to the men and a special invitation
to all such is always extended. The
social feature for next Monday eve-
ning will be a friendly circle around
a basket of big red apples while stor-
ies of "Ye old time Thanksgiving
Days" are told.

The program begins at 7:30 and is
as follows:

Doxology.
Thanksgiving Psalm—E. S. Ratliff.

They Are Not Pikers.

H. A. Kroeger, erstwhile republican
nominee for county judge, and Joe
Burton, who until a year ago lived
in the Knox community, displayed
very bad judgment in the matter of
Oklahoma politics, but neither of
them are pikers. Kroeger figured that
the democratic majority in Pontotoc
county would not be over 800 and
backed his judgment with a quarter's
worth of cigars. Very naturally we
mailed him a bill for that amount
when the returns came in. He came
across with a check written on the
back of an old envelope on which
was written: "Guessing at what the
democrats will do is like guessing
at what a jury will do, mighty un-
certain. We cashed the check and
went on our way rejoicing.

Joe Burton figured that the repub-
licans were due to carry the state
and likewise backed his hope with
some cigars. In response to the bill
we immediately mailed him he sent
the wherewith for the smokes, and
remarked in his letter accompanying
it: "You may smoke the balance with
this understanding that you get two
10c cigars and as my pipestem is too
short to smoke one of them that you
give it to one of my republican
friends and that you and he smoke
them on the public streets of Ada
for I know that if the democrats
get control of the government—which
it seems very probable they will—the
people will be too poor to smoke
a one center. So I want you people
over in the Tomahawk state to have
a good time while you can. (Nov
then I claim the honor of naming
the Tomahawk State.)"

God Bless Our Dad.

We happened into a home the other
night, and over the parlor door
saw the legend worked in letters of
red, "What is Home Without a
mother?" Across the room was an-
other brief, "God Bless our Home."

Now What's the matter with "God
Bless our Dad?" He gets up early,
lights the fire, boils an egg, and wipes
the dew off the lawn with his boots
while many a mother is sleeping. He
makes the weekly hand out to the
butcher, the milk man and the baker,
and his little pile is badly demolish-
ed before he has been home an hour.

If there is a noise in the night,
Dad is kicked in the back and made
to go down stairs and find the burg-
lar and kill him. Mother darts the
socks, but Dad bought the socks in
the first place, and the needles and
yarn afterwards. Mother does up the
fruit, Dad bought it all, and jars and
sugar cost like the mischief.

Dad buys the chicken for Sunday
dinner, serves them himself, and
draws the neck from the ruins after
everybody else is served. "What is
Home Without a Mother?" Yes, that's
alright but "What is Home Without
a Father?" Then chances to one it's
a boarding house; father is under a
slab, and the landlady is the widow.
Dad, here's to you! You've got your
faults, you may have lots of 'em but
you're alright, and we'll miss you
when you're gone.—Ex.

How one man fooled his wife

She had been using her "favorite" baking powder. Wouldn't think of trying anything else, because "mother always used it," or some similar excuse. Hubby said she was prejudiced. He figured if Calumet, the new baking powder, selling at a moder-

ate price, could be so successful, there must be some good in it. So he took a hand, and bought a can of Calumet, emptied the can containing her "favorite" baking powder and filled it with Calumet.

That evening, unsuspecting the trick, Wifey prepared and served some of her famous biscuit— piping hot, temptingly browned and puffed up to airy lightness, they were even more delicious than usual. Hubby, after considerable difficulty, succeeded in convincing her that the basis of the improvement was Calumet Baking powder. And so an ever-lasting friend for Calumet was made.

This truthful little incident simply proves that the housewife is oftentimes prejudiced against all baking powders except the one she has been using for years. She imagines that no other kind can possibly be as good. This is a mistaken impression. A trial of Calumet will prove that it is purer, more reliable; it has a greater leavening power than any other baking powder made. And it is moderate in price.

City Clerk of the City of Ada, Okla-
homa a petition, addressed to the
Mayor and Council of the City of
Ada, Oklahoma, praying that the Ma-
yor and Council call a special elec-
tion for the purpose of submitting to
the qualified electors of the City of
Ada the question: SHALL THE
CITY OF ADA ADOPT THE COM-
MISSION FORM OF GOVERNMENT,
said petition being signed by more
than twenty-five per centum of the
qualified electors voting at the next
preceding municipal election in the
City of Ada, Oklahoma. And

WHEREAS, on the 19th day of Sep-
tember, 1910, there was filed with the
City Clerk a petition, addressed to
the Mayor and City Council of the
City of Ada, Oklahoma, praying that
a special election be called for the
purpose of submitting to the quali-
fied electors of the City of Ada, the
question: SHALL ORDINANCE NUM-
BER 213 OF THE CITY OF ADA
BE REPEALED, said petition being
signed by more than twenty-five per
centum of the qualified electors vot-
ing at the next preceding municipal
election in the City of Ada. And

WHEREAS, on the 7th day of No-
vember, 1910, the City Council in reg-
ular session assembled, ordered that
a special election be called as pro-
vided by law, for the purpose of elect-
ing a BOARD OF FREEHOLDERS,
composed of two from each ward,
who shall be qualified electors of the
City of Ada, whose duties it shall
be, within ninety days after such
election, to prepare and propose a
charter for the City of Ada, Okla-
homa, and for the purpose of sub-
mitting to the qualified electors of the
City of Ada, the question: Shall the
City of Ada, proceed further toward
adopting a charter in pursuance to
this call. And for the purpose of sub-
mitting to the qualified electors of
the City of Ada the question: Shall
ordinance Number 213 of the City of
Ada, be repealed.

NOW THEREFORE by virtue of
the authority vested in me by the
Constitution and Laws of the State
of Oklahoma, and pursuant to said
petitions and orders of the City Coun-
cil, I hereby proclaim and give pub-
lic notice, that a special election is
hereby called to be held in the City
of Ada, Oklahoma, on the Third (3)
day of December, 1910, for the pur-
pose of submitting to the qualified
electors, residing within the corpo-
rate limits of said City, the following
questions, to-wit:

FIRST. To elect a Board of free-
holders, composed of two from each
ward, who shall be qualified electors
of the City of Ada, to be elected by
the qualified electors of the City of

Busy Day Around the Postoffice.

All day yesterday there was a stir at the postoffice. The new fixtures were partly in place, but as no one knew what box he would get or what the combination was if he did know, it will be readily seen that there were some anxious people. The postoffice force was on duty all day and did everything possible to bring order out of the chaos that of necessity prevailed, so that by night there was some semblance of order once more. The job before the boys is a big one, but in a few more days

things will be running smoothly again. Until everything is in place it will be impossible to give a very accurate description of the new arrangements.

Railroad Building in Oklahoma.

Guthrie, Okla., Nov. 20.—The Mountain, Valley and Plains Railroad, chartered to build eastward from Cimarron, N. M., to Guthrie, will also build west from Cimarron to the Pacific Coast, according to the declarations filed during the last week with Secretary of State Curry of California of intentions to build the line from the present New Mexico terminus to San Francisco. The declarations were filed by H. S. Wannamaker, secretary of the company, who stated the road, when completed, will cross four states. The company has its quarters at Almaden, N. M., and its permanent survey east to Guthrie has been completed and much of the right of way secured. Springer is one of the New Mexican division points. The citizens of Guthrie have raised a \$75,000 bonus for the road.

Announcement is made that the Midland Valley Railroad, now in operation 250 miles between Fort Smith, Ark., and Arkansas City, Kan., is to become a trunk line. The most important extension being planned is from Arkansas City to Wichita and southeast from Fort Smith to the coal and oil fields of Arkansas and Louisiana. It is reported that the company will soon float a big bond issue. President Ingersoll of Philadelphia and other Midland Valley officials made a tour of inspection the last week, including the proposed extension from Glenn Pool to Sapulpa. Rumor has it that the Midland Valley will prove to be a Santa Fe project.

The citizens of Alva are raising \$100,000 bonus to secure the Des Moines and Santa Fe proposed road, which was chartered several years ago to build eastward from Des Moines, N. M., across Southern Kansas and Northern Oklahoma. Alva is to pay one-fourth of the bonus at once, one-fourth of the bonus when the line reaches Des Moines, one-fourth when it reaches Hooker, about fifty miles east of Alva, and the last fourth when the road is completed in to Oklahoma City.

The route of the Oklahoma, Texas and Eastern, the new railroad to be built from Valiant, Ok., to Valiant, Ark., has been selected and the survey maps filed with the Indian agent at Muskogee showing the territory through which the line is to pass. It will be sixty miles long and penetrate the timber belt of the Choctaw nation.

Muskogee in Capital Race.

Oklahoma City, Nov. 20.—If the location of the capital of Oklahoma is again reopened, Muskogee will certainly be a candidate for it," was announced by Clarence B. Douglas, secretary of the Muskogee Commercial club, and Tams Bixby, editor of the Muskogee Phoenix, and former Indian agent to the Five Civilized Tribes, while in Oklahoma City Saturday.

Mr. Douglas stated that the object of their visit here at this time was for the purpose of gaining first-hand information regarding the status of the capital question, and inspecting also the site which had been selected by the capital commission northwest of the city.

"I do not believe that the matter can be concluded finally by any session of the legislature which may be convened by the governor. It is almost certain that the legality of the legislature in convening at this time will be attacked by whatever town may be loser in the proposition, in the courts, and which will result in the matter again going before the supreme court of the state.

"The question of the legality of the present legislature having jurisdiction in this matter might also form a point for contest, and I do not know whether a decision of the question would properly devolve upon the present legislature or upon the one which convenes in January."

Rev. D. E. Starr Dead.

Sherman, Tex., Nov. 20.—Rev. David Elmer Starr, native of Georgia, 75 years of age, 53 years a clergyman of the M. E. Church, South, and a Confederate veteran, died at his home in West Sherman last evening. His funeral services will be conducted at 10 a. m. tomorrow, several Methodist clergyman officiating, after which interment will be at West Hill cemetery.

He had resided in Texas thirty-two years, thirty of which were spent on the farm just east of the city.

He is survived by his wife Mrs. Amelie Starr, and five children as follows: Mrs. E. J. Parker and W. H. Starr, Sherman; Mrs. Leola King, Bells; Mrs. Annie Davis, Cleburne; Walter B. Starr, Anna.

Bert Vaden Hurt.

A telephone message from Roff this morning stated that Bert Vaden, son of Capt. J. W. Vaden, was knocked on the head Saturday night and as a result was hurt so seriously that there is some doubt about his recovery. Sheriff Smith went down on the morning train to investigate the case.

Cotton on the Jump.

The ginner's report for the season as announced today shows a total of 8,764,000 bales of cotton ginned this year, against 8,112,190 at the same date last year. This was much smaller than expected and resulted in a rise of 33 points in cotton, making the price at Ada around 14.25.
